Re: Andre Agassi 2004 Benefit Concert

Dear Suken:

I can't thank you enough for your help during the 2004 Grand Slam for Children benefit concert. We again exceeded our goal for the Foundation and we feel it was our most successful concert yet. We truly couldn't of been as successful as we were without you.

Now that this year's event is over, we are preparing ourselves for the following years to come. Therefore, we hope you will continue your supporting our cause and like always, I look forward to working with you again.

Best wishes,

Julie Walther
