Dear Suken,

The Department of Family Services would like to take this opportunity to thank you for providing an opportunity for our children to participate in the Build A Bear Event. It is heartwarming to know that there are people in the community who so graciously support the abandoned, neglected and abused children of Clark County and the people who care for them.

We are deeply indebted to our community partners who continue to believe in our mission of helping the County's most vulnerable children.

From everyone at Family Services, we thank you for your support and wish you Happy Holidays.

Sincerely,

*Julie Ball*
