Dear Suken:

On behalf of the In Home and Permanency Units of the Department of Family Services, I want to thank you for your generosity in the Build-a-Bear event. Your commitment to helping the children in our community is sincerely appreciated.

Each year the Department of Family Services strives to ensure that our children have a special holiday season. Various programs and donors have enriched the lives of children and enable them to enjoy the holidays to a greater degree, and the Build-a-Bear event was one such program. We saw many smiles, laughs and giggles from the children; it was a huge success! We can't thank you enough for your support, donation and participation in this community event. Personally, I cannot express enough how grateful I am that these children had a wonderful holiday. This event could not have taken place if it were not for the fantastic support and teamwork that you provided to this project.

Thanks again, and I hope that we can coordinate another successful event to make a difference in children's lives!

Sincerely,

Kristen Weg
